Happy April!

April has arrived, bringing with it the gentle signs of spring and the promise of fresh starts. As the days grow longer and the sunshine feels a little warmer, we're reminded that this time of year is all about renewal, growth, and new beginnings.

Around us, nature is waking up—birds are singing; flowers are beginning to bloom, and the world feels just a bit brighter. It's the perfect time to enjoy a breath of fresh air, open the windows, and take in the beauty of the season.

Spring also gives us an opportunity to reflect and refresh in our own lives. Whether it's trying a new activity, reconnecting with friends, or simply enjoying a peaceful moment outdoors, April invites us to embrace joy in the little things.

Here in our community, we look forward to celebrating the season together with fun activities, meaningful connections, and plenty of smiles along the way.

Here's to a wonderful April filled with warmth, happiness, and new beginnings for us all!

Sincerely,

Jessica

As spring arrives and Easter approaches, we're reminded of the joy that comes with new beginnings and time spent together. Our community continues to stay active with seasonal activities, shared meals, and special moments that bring residents, families, and staff closer. Thank you for being part of the warmth and spirit that make our community feel like home.

Congratulations to Brooklyn Hoshal, who has been awarded the Best Employee of the Month! Brooklyn joined our Nursing team this past October and has enjoyed working in our Assisted Living community, getting to know everyone and learning what makes River Grand a great place to work and live! Thank you for welcoming Brooklyn to our team and recognizing her commitment to our community! We enjoy having another friendly and smiling face in our building.

ACTIVITY NOTES

Happy April Everyone!!!

As always we have so much to look forward to in April for activities! I have added Tabletop Bocce, Easter Social, Arm Chair Travel, Garden Planning, and Earth Day Clean Up to our calendar. You will see many of our usual favorites too.

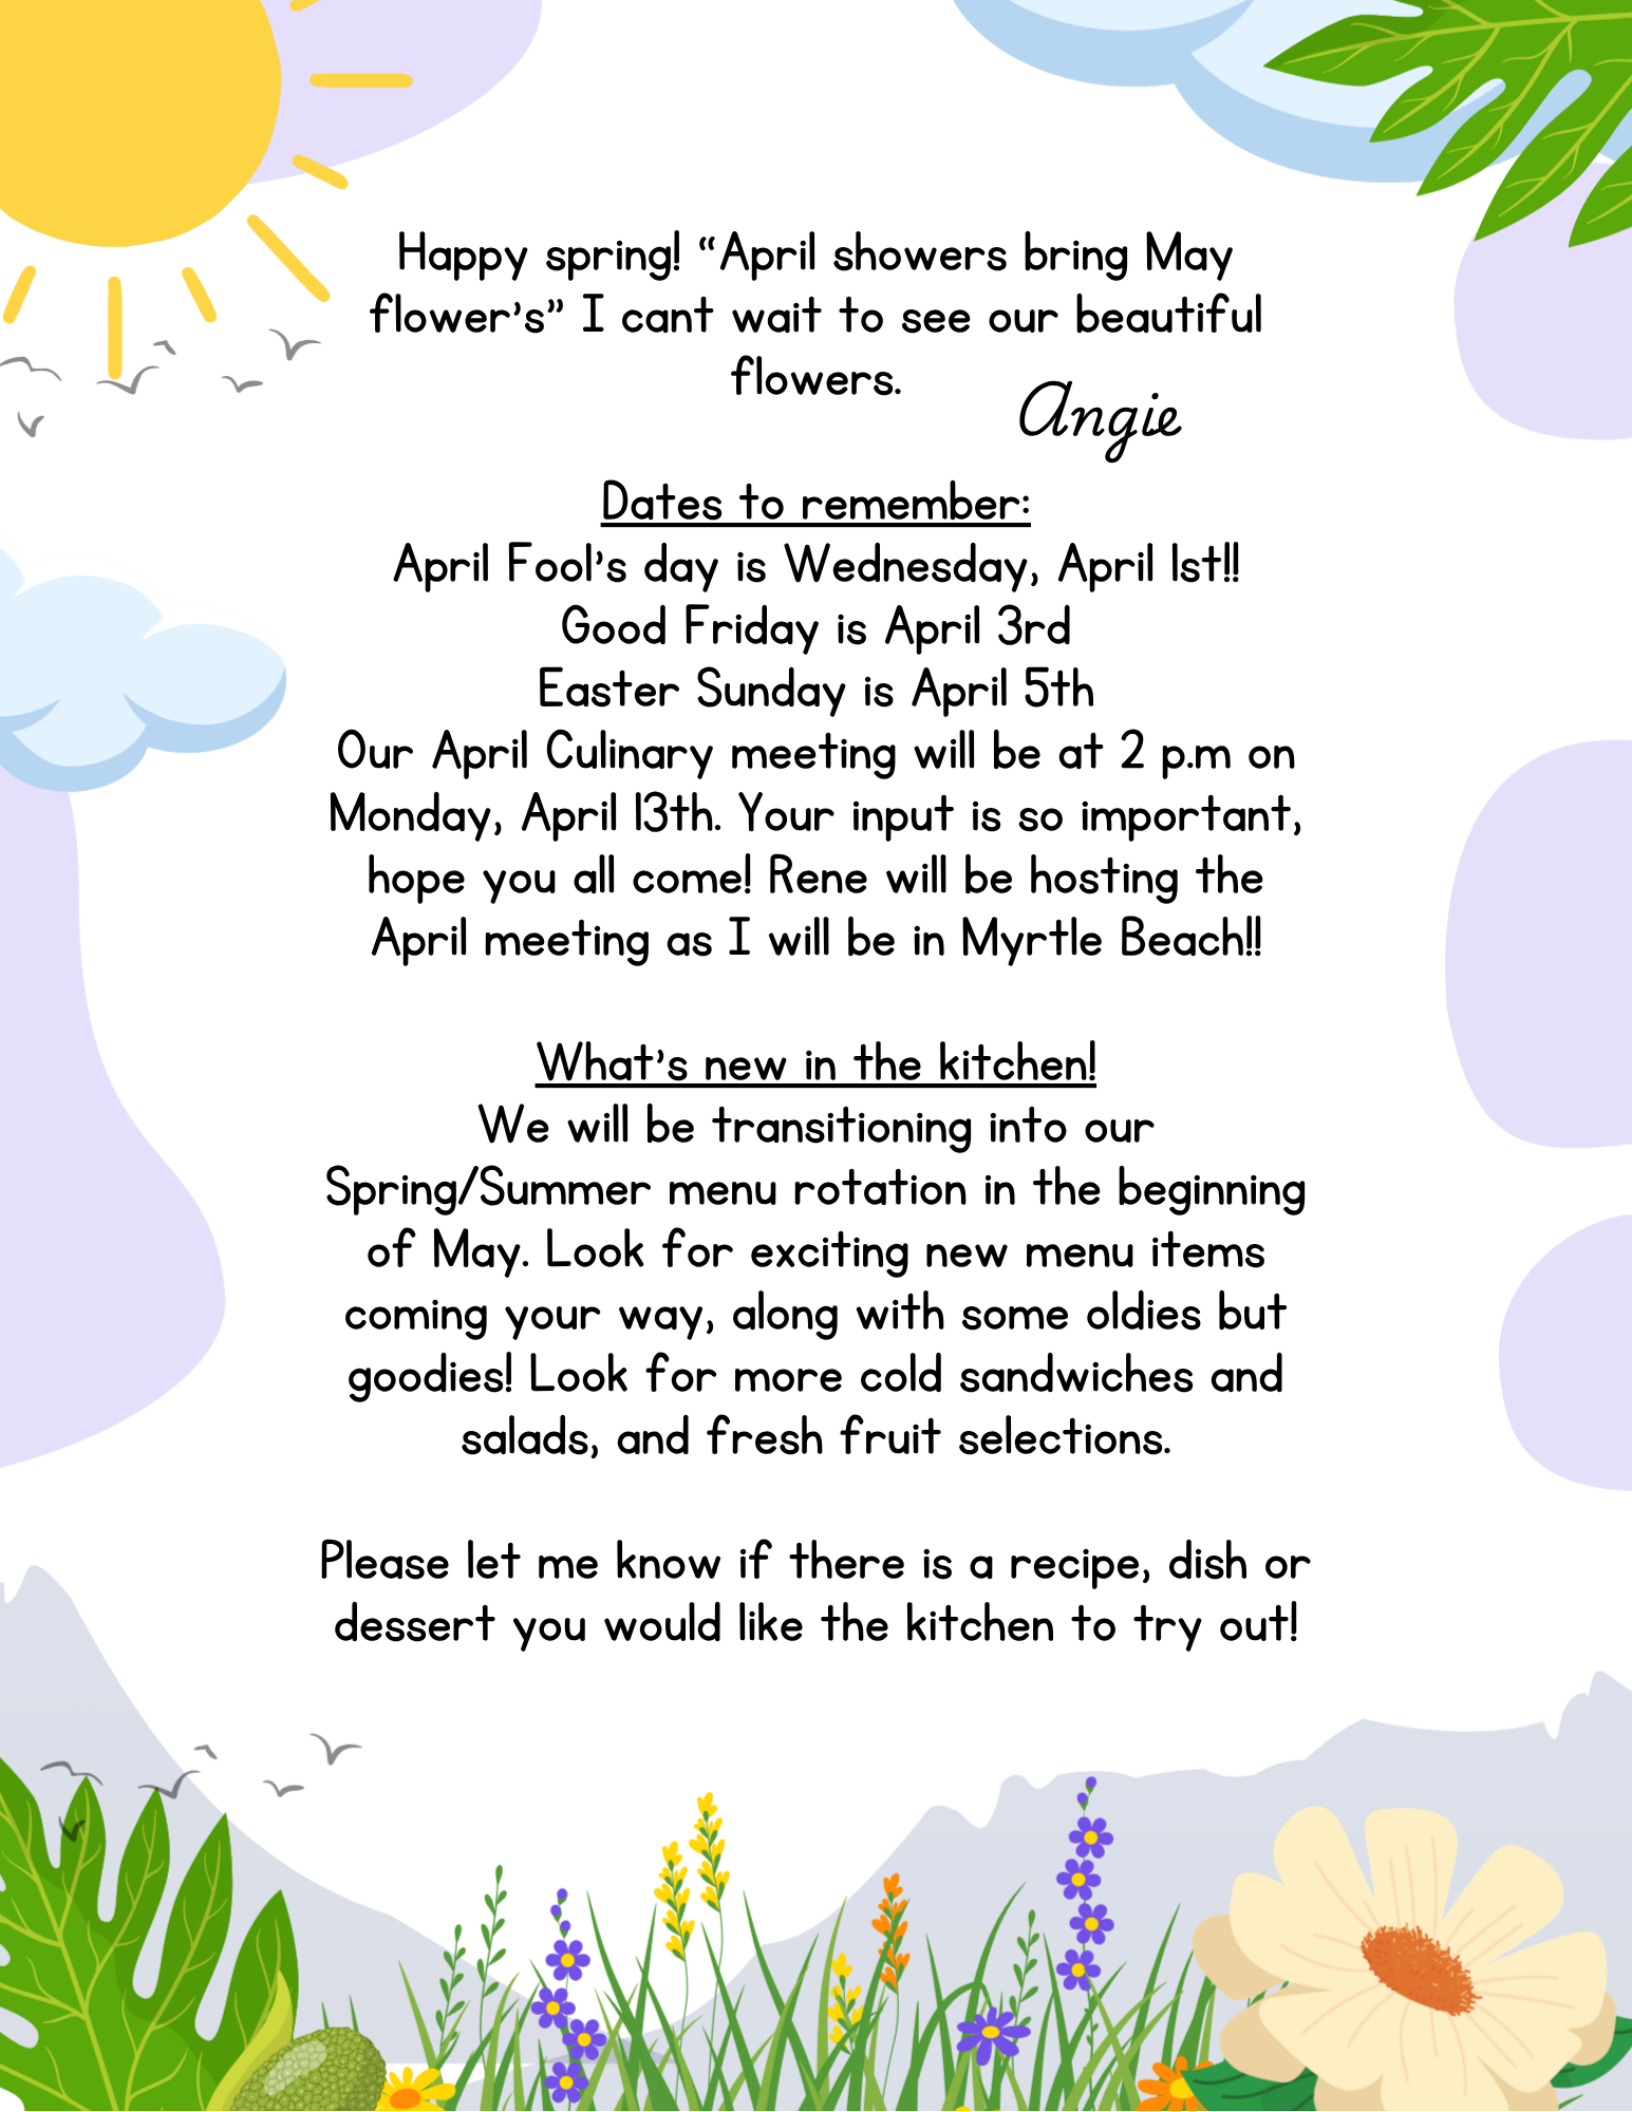

Mr. Bottoms wanted to share a religious program with anyone who is interested on April 17th at 1:30. The program is call “Proving the Existence of God.”

Music Practice has also been added on the 2nd and 4th Sunday of the month. It is not a musical performance. It is more of a gathering of people who want to participate in practicing different songs together. Singing together, playing musical instruments together, and just having fun.

Our bus is ready for the month of April. So we will resume medical appointments and shopping outings!!!

What's new in the kitchen!

We will be transitioning into our Spring/Summer menu rotation in the beginning of May. Look for exciting new menu items coming your way, along with some oldies but goodies! Look for more cold sandwiches and salads, and fresh fruit selections.

Please let me know if there is a recipe, dish or dessert you would like the kitchen to try out!
