Happy May!

Hope everyone is ready for the warmer weather, sunshine and longer days! I know I sure am!

Please welcome Catherine "Catie" Bauer, RN Care Manager to River Grand! We are excited to have Catie join our team! Catie will be filling in and support the Registered Nurses while Andra Rabbitt is out on Maternity Leave.

Catie will be onsite effective April 27th. Please join me in welcoming Catie to the River Grand Family.

A little about Catie: Catie has 3 children ages 3, 6, and 10. Her favorite past times include spending time with her kiddos, reading, gardening, and crocheting. Catie comes with 8 years of experience as a Registered Nurse and 5 years of CNA experience prior to continuing on with her education to pursue her passion of becoming a Registered Nurse. Most of her RN experience has been in the Hospice setting. The most rewarding part of my career is the psychosocial support and education to my patients and families. Catie is looking forward to continuing these aspects of nursing here at River Grand as well as learning new things! Catie is excited to start working with the team and meeting all of you!

Please welcome Catie 😊

With May just around the corner, we are all looking forward to the warmer days, blooming flowers, and the renewed energy that spring brings. It's a wonderful time to enjoy the outdoors, connect with one another, and take in the beauty of the season.

As always, we are here to support you. If you have any questions or need clarification regarding your monthly statements, please don't hesitate to reach out. I'm happy to help in any way I can. Wishing you a bright and cheerful start to the season!

Brandi

With the weather warming up in the coming months, don't hesitate to ask for assistance in taking your AC covers off. Reminder to place the covers somewhere safe in your apartment, and adjust your thermostat to account for the warmer weather outside.

Coffee on the Patio- A group to connect with other River Grand residents and feel a sense of community.

Beautiful Blooms- Flower Arranging Group... bring a bouquet to share or use our flowers to create a beautiful arrangement.

Fine Dining- We are going to host another Fine Dining Event! More Information to come. A reminder that if you attended the Garden event in March, to only add your name as an alternate if there is a cancellation.
